

Protect Your Information

I don't give out my private information like my name or where I live. I keep all my passwords a secret. I always logout when I am finished using a device.

Be Positive

I show respect to myself and others online by only saying kind and positive things.

Know Your Stuff

I know what sites are safe for me to use. I know how to find information and pictures. I know what the copyright laws mean for me.

Digital Citizenship

Put a Stop to Cyberbullying

I tell a teacher if someone is being unkind or hurtful to me or someone else online. Cyberbullying is **not** acceptable.

Report It Quick

If I find something I think I shouldn't be looking at I tell a teacher straight away.

Handling Equipment

I use all equipment carefully. I hold an iPad with two hands. I am careful with buttons, screens and keyboards. I remember to turn devices off when I am finished.
