Year 3 Netball at Sunnybrae in 2017

Dear parents/caregivers,

Your child has expressed an interest in playing netball (Year 3) for the school. The programme is a 10 week programme starting on the 15th of May and finishing on the 14th August (with a break for school holidays from 3rd July to 17th July). Games are played at the AMI Netball North Harbour courts on Northcote Road.

Year 3's play 5 a-side on a Monday afternoons. A weekly draw is available on the North Harbour Website and games are played between 4pm and 6pm. A skill session is also run each week 15 minutes prior to the game. Teams of 7 will be entered and they sub on and off.

Fees will be payable once teams and venues have been finalised and will be approximately \$65 per child (depending on team numbers). You will receive a further notice about this.

Adult participation is imperative in the Future Ferns programme. **We are unable to enter teams without this parent support.** An information evening for coaches is on the 8th of May at 7 pm. If this interests you please indicate on the form below and return it promptly so that teams can be organised and registrations submitted. Please contact me if you have any questions.

Kind regards,

Wendy Frazer
