

Parent Teacher Conferences and Goal Setting

8th and 9th March 2023

We are holding our Sunnybrae Parent Teacher Conferences and Goal Setting on the 8th and 9th March. We hope that all families will attend these meetings so that you can share your insights on how we can best support your child. Teachers are interested in learning about what success looks like for your child, what supports their learning, and any potential barriers to the learning process. Teachers will share how your child has settled into their new class and routines. Parents and teachers will collaboratively set learning goals for your child for the coming term.

Bookings

Please book an appointment with your child's teacher. You will be able to book a 10 minute interview. If you have more than one child, we recommend that you leave a 10 minute gap between appointments to allow yourself time to move between classrooms.

Bookings are now open for both of these evenings and can be made electronically through www.schoolinterviews.co.nz using the School Event Code **hcjcy**. If you need support to make a booking online please see your child's teacher.

If you need language support please fill in this [Google form](#) so that we can arrange a translator.

Kind regards
